

# Aluminum Tray Delivery Cabinets

At the core of your kitchen

The AD Series Cabinets from Piper offer great flexibility in meal tray delivery service and soiled tray retrieval service. Standard AD cabinets are available in 10-20 tray capacities and hold 2 trays per shelf. A smaller AD-S series is available and can be ordered in 5-10 pan capacities and hold 1 tray per shelf. AD Cabinets are unique in that they utilize fully-welded offset glides which can hold multiple tray sizes. The upper tier of the glide is sized to fit 15" x 20" trays, while the lower will hold 14" x 18" trays. As a bonus, the standard AD cabinet will also hold 18" x 26" sheet pans and 12" x 20" Steam Pans (1 per glide). All cabinets have fixed glides with 6" spacing.

Standard features include a drain, 5" casters (2 with brakes), push handle, and a 270° door swing with side door catch. Bumpers are optional, and the cabinet can be made pass-thru as well.

With this level of flexibility and practicality, they are sure to be at the core of your meal service operation. Place your order now!

AD-20 with perimeter bumper

	MODEL #	DEPTH	WIDTH	HEIGHT	CAPACITY 14X18 OR 15X20	CAPACITY 18X26 OR 12X20
AD SERIES	AD-10	32-5/8"	24-1/4"	37-5/8"	10	5
	AD-12	32-5/8"	24-1/4"	43-5/8"	12	6
	AD-14	32-5/8"	24-1/4"	49-5/8"	14	7
	AD-16	32-5/8"	24-1/4"	55-5/8"	16	8
	AD-18	32-5/8"	24-1/4"	61-5/8"	18	9
	AD-20	32-5/8"	24-1/4"	67-5/8"	20	10
AD-S SERIES	AD-5S	23-3/4"	21-3/4"	37-5/8"	5	-
	AD-6S	23-3/4"	21-3/4"	43-5/8"	6	-
	AD-7S	23-3/4"	21-3/4"	49-5/8"	7	-
	AD-8S	23-3/4"	21-3/4"	55-5/8"	8	-
	AD-9S	23-3/4"	21-3/4"	61-5/8"	9	-
	AD-10S	23-3/4"	21-3/4"	67-5/8"	10	-

Note: Handle is not included in dimensions. Handle adds 3-3/8" to the depth of the cabinet.
